

## Midweek Rhythms

1<sup>st</sup> Wednesday of the month: **Leader-led** – An environment where the leaders of the High School Ministry come up with a fun and interactive environment where every student in the High School group, regardless of grade or gender, can participate and have a great time. It's a perfect environment to come for your first time or invite a friend to church.

2<sup>nd</sup> Wednesday of the month: **LifeGroup** – An environment that is community-based where students get into small groups broken up by gender & grade and are sharing with one another about how things have been going on personally with them. It's a perfect environment to share with others and have them support you spiritually & emotionally throughout your week.

3<sup>rd</sup> Wednesday of the month: **Discipleship** – An environment where students can actively grow in their relationship with God by learning more of the Bible. We go through a chapter of the Bible verse-by-verse and explain what it means and how it can practically apply to us today. This is an open atmosphere where students can actively ask hard questions they wouldn't otherwise be able to ask on a Sunday morning service.

4<sup>th</sup> Wednesday of the month: **Presence** – An environment where students can experience God's presence tangibly through an extended amount of time devoted to worship and prayer, while being supplemented with a powerful message in the end. This is a perfect atmosphere for students to come to receive prayer from their leaders and receive relief for their burdens from God.
