To Make Your Friend Frames:

1. Have an adult cut a rectangle from cardboard and paper or foam. (You might want to use a 6x8 rectangle for a 4x6 picture.)
2. Glue the paper or foam to the cardboard.
3. Glue the picture in the middle of the paper or foam rectangle.
4. Decorate your frames with any supplies you have. If you didn't glue the picture down in step 3, make sure to leave room for a picture when you are decorating.
5. Fold a small piece of cardboard and tape it to the back of the frame for a support.
6. Give your frame to someone who has been a friend to you or display it to remember the friends God has given you.
