

YEAR 3: OLD TESTAMENT WISDOM LITERATURE

Weekly Questions: January 12, 2022

Reading: Psalm 11

Facilitator: Gregg Prickett

Bible Project Book Overview: <https://bibleproject.com/explore/video/psalms>

Our dear Lord, who has given to us and taught us to pray the Psalms and the Lord's Prayer, grant to us also the spirit of prayer and of grace so that we pray with enthusiasm and earnest faith, properly and without ceasing, for we need to do this, He has asked for it, and therefore wants to have it from us. To Him be praise, honor, and thanksgiving, Amen.

Begin by slowly praying the Lord's Prayer. Concentrate on each word or praise.

Each week we are going to focus on only one or two Psalms in that week's readings. This week we are emphasizing Psalm 11.

- 1.) What does refuge mean to your soul (v. 1)?

- 2.) What chance does a bird have against an arrow (v. 1-2)

- 3.) Why would the Lord test the righteous (v. 5)?

What is the image in your mind when you pray verse 7? What expression is on His face?

What encouragement do you receive from this psalm/prayer?

O God, when I feel like escaping, avoiding the difficulties and challenges of life, give me the strength to stand fast, in the name of Jesus who is my rock and my salvation. Amen.
